

**COLUMBIA COUNTY INDUSTRIAL DEVELOPMENT AGENCY
OPERATIONS AND ACCOMPLISHMENTS
January 1, 2021 – December 31, 2021**

Operations

The **Columbia County Industrial Development Agency** is able to assist economic development projects by lowering costs through tax-favored financing and exemption from specific local taxes. The Columbia County Industrial Development Agency (IDA) was created by the New York Legislature on January 14, 1976 under Article 18-A, Chapter 366 of the General Municipal Law. The Agency's mission is to facilitate the establishment of new businesses and the enhancement of existing businesses that create and/or retain jobs and promote private sector investment utilizing the statutory powers established under New York State law.

The Agency offers four basic forms of financial assistance that includes: (1) mortgage recording tax exemption, (2) sales and use tax exemption, (3) real property tax abatement and (4) interest rate savings via tax-exempt financing. The Agency has the power to issue taxable or tax-exempt bonds. These non-recourse bonds are not an obligation of the sponsoring community or state or its tax payees but rather are backed solely by the credit rating of the company.
