Mr. F. Michael Tucker
President and CEO
and
Mr. Carmine Pierro
Chairman of the Audit Committee

Columbia County Capital Resource Corporation
1 Hudson City Centre, Suite 301
Hudson, NY 12534

Dear Mr. Tucker and Mr. Pierro:

The following represents our understanding of the services we will provide Columbia County Capital Resource Corporation (a component unit of the County of Columbia, New York).

You have requested that we audit the financial statements of Columbia County Capital Resource Corporation, comprised of the statement of net position as of December 31, 2025, and the statements of revenue, expenses, and changes in net position and cash flows for the year then ended and the related notes, which collectively comprise Columbia County Capital Resource Corporation's basic financial statements as listed in the table of contents. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) and, in accordance with *Government Auditing Standards*, will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Accounting principles generally accepted in the United States of America (U.S. GAAP), as promulgated by the Governmental Accounting Standards Board (GASB) require that management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the GASB, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by U.S. GAAP. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's discussion and analysis

Auditor Responsibilities

We will conduct our audit in accordance with GAAS and, *Government Auditing Standards*. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of controls.
- Obtain an understanding of the system of internal control in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Columbia County Capital Resource Corporation's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

Although we are currently in the planning stage of our audit, we have identified the following significant risks during our audit to date that require special audit consideration:

- Management override of controls is considered an inherent risk according to GAAS

As of the date of this letter, we have not completed our planning procedures. Therefore, we may identify additional significant risks during our completion of planning. Should we identify additional significant risks we will communicate those risks to you at a later date.

Compliance with Laws and Regulations

As previously discussed, as part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we will perform tests of Columbia County Capital Resource Corporation's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Management Responsibilities

Our audit will be conducted on the basis that management and, when appropriate, those charged with governance acknowledge and understand that they have responsibility:

- 1) For the preparation and fair presentation of the basic financial statements in accordance with accounting principles generally accepted in the United States of America.
- 2) For the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of basic financial statements that are free from material misstatement, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements;
- 3) To provide us with:
 - a) Access to all information of which management is aware that is relevant to the preparation and fair presentation of the basic financial statements such as records, documentation, and other matters;
 - b) Additional information that we may request from management for the purpose of the audit;
 - c) Unrestricted access to persons within the entity and others from whom we determine it necessary to obtain audit evidence.
 - d) A written acknowledgement of all the documents that management expect to issue that will be included in the annual report and the planned timing and method of issuance of that annual report; and
 - e) A final version of the annual report (including all the documents that, together, comprise the annual report) in a timely manner prior to the date of the auditor's report.
- 4) For including the auditor's report in any document containing basic financial statements that indicates that such basic financial statements have been audited by us;
- 5) For identifying and ensuring that the entity complies with the laws and regulations applicable to its activities;
- 6) For adjusting the basic financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period(s) under audit are immaterial, both individually and in the aggregate, to the basic financial statements as a whole;
- 7) For acceptance of non-attest services, including identifying the proper party to oversee non-attest work;
- 8) For maintaining adequate records, selecting and applying accounting principles, and safeguarding assets;
- 9) For informing us of any known or suspected fraud affecting the entity involving management, employees with significant role in the system of internal control and others where fraud could have a material effect on the financials;

- 10) For the accuracy and completeness of all information provided;
- 11) For taking reasonable measures to safeguard protected personally identifiable and other sensitive information; and
- 12) For confirming your understanding of your responsibilities as defined in this letter to us in your management representation letter.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility: (a) for the preparation of the supplementary information in accordance with the applicable criteria; (b) to provide us with the appropriate written representations regarding supplementary information; (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information; and (d) to present the supplementary information with the audited basic financial statements, or if the supplementary information will not be presented with the audited basic financial statements, to make the audited basic financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

Non-attest Services

With respect to any non-attest services we perform, including the preparation of Columbia County Capital Resource Corporation's financial statements and annual Forms 1099, we will not assume management responsibilities on behalf of Columbia County Capital Resource Corporation. However, we will provide advice and recommendations to assist management of Columbia County Capital Resource Corporation in performing its responsibilities.

Government Auditing Standards require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

You agree to assume all management responsibilities for the financial statement preparation services, preparation of Columbia County Capital Resource Corporation's annual form 1099s, and any other non-attest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skills, knowledge, and/or experience; evaluate the adequacy and results of the services; and accept responsibility for them. It is your responsibility to maintain original data and records as well as the information produced by information systems. We cannot accept and have no responsibility to maintain any of your data, records, or information. F. Michael Tucker will be the member of management responsible for overseeing our non-attest services.

Our responsibilities and limitations of the engagement are as follows:

- This engagement is limited to the financial statement and Forms 1099 preparation services, as previously outlined. Our firm, in its sole professional judgment, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities including determining account coding and approving journal entries.

Reporting

We will issue a written report upon completion of our audit of Columbia County Capital Resource Corporation's basic financial statements. Our report will be addressed to management and the board of directors of Columbia County Capital Resource Corporation. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s) to our auditor's report, or if necessary, withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance will not be an objective of the audit and, therefore, no such opinion will be expressed.

Other

We understand that your employees will prepare all confirmations we request and will locate any documents or support for any other transactions we select for testing.

If you intend to publish or otherwise reproduce the basic financial statements and make reference to our firm, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

Regarding the electronic dissemination of audited financial statements, including financial statements published electronically on your Internet website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. By signing this engagement letter, you affirm that you have all the data and records required to make your books and records complete.

Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

During the course of the audit we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

You agree to inform us of facts that may affect the basic financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

We agree to retain our audit documentation or work papers for a period of at least seven years from the date of our report.

2023 Peer Review Report

We are pleased to provide a copy of UHY LLP's most recent peer review report dated November 29, 2023 as well as the related letter from the Chair of the American Institute of Certified Public Accountants' National Peer Review Committee notifying us that the Committee accepted our peer review report on February 15, 2024. Firms can receive a rating of pass, pass with deficiency(ies), or fail. UHY LLP received a peer review report rating of pass – the best possible outcome.

Peer reviews are conducted on a triennial basis and are performed on the system of quality control for the accounting and auditing practice applicable to non-SEC issuers. Our next peer review will be due on January 31, 2027.

A peer review is conducted by qualified CPAs from an outside CPA firm. These peer reviewers select engagements that are representative of the reviewed firm's non-SEC practice. Their selections consider the various industries served by the firm, the partners serving those industries and must include all levels of attest service – audits, reviews, compilations, agreed-upon procedures engagements, SOC 1 and SOC 2 engagements, and other attestation services.

In addition to the numerous engagement files reviewed in detail, the peer reviewers inspect other areas of our non-SEC practice including client acceptance and retention, independence, CPE compliance, licensing and professional membership, and our staff and partner resources related to recruiting, hiring, assignments, education and training, and continuing professional education.

We are proud of our record of commitment to quality and pledge to continue in our dedication to the highest level of service.
